VINTAGE & CLASSIC RIOJA

Rioja is still Spain's most important region in terms of international recognition and has had to feed a huge world demand for its wines in the last few years. The regulations governing the production of Rioja are strict and we stock a comprehensive range which includes some remarkable older, vintage wines. Some of these are very limited.

The next two pages our list are suggestions of unique vintage or oversized bottles of Spanish wines. Perhaps you would like to celebrate a birthday, anniversary or a special date with one of our Vintage Bottles or have a party with a Magnum Jeroboam or Mackenzie Large Wine Bottle. For most of these wines we will require a minimum of four days' notice as they are not all kept in stock in house at the same time.
